

NEW MEMBER APPLICATION

October 9, 2021

Please note that as a not-for-profit Social Club under NYS law, membership in the Club is for personal use and cannot be used for profit making or enhancing the value of a rental property. Consistent with the law, properties used primarily for investment are not eligible for Membership. If you purchased a home with a Membership in good standing, and you are found ineligible for Membership, you may chose to maintain such Membership for future personal use, or for resale, but renters of your home will not have access to the facilities. If you are applying for membership primarily for your personal use, occasional renters of your home may be permitted to use the facilities subject to the Club's Rules.
